
A Search Committee Code of Ethics

Search committees should consider adopting a code of conduct to ensure impartial, ethical, and respectful treatment of candidates, and also to ensure that a decision is reached based on the most complete and accurate information.

As members of this search committee, we accept our responsibility to protect the integrity of every prospect and candidate. Accordingly, each of us pledges to adhere to these principles:

1. I acknowledge that only the Chairperson is authorized to speak outside the committee meetings on behalf of the institution.
 2. I certify that I am personally not a candidate for the position.
 3. I subscribe to the principle that any appearance of real or potential conflict of interest in the relationship between me and a prospect or candidate should be avoided and that its occurrence will be disclosed promptly to the committee.
 4. I will represent the college as a whole and not my individual constituency. I pledge to keep as my primary focus the need of the institution to attract the best possible candidate, within a timetable that gives it a competitive advantage.
 5. I will follow the principles below for the management of information about the work of the committee. This work includes what is developed and received about prospects, candidates, and their employing institutions. I understand this effort is necessary to attract excellent finalists, to avoid putting their current positions in jeopardy, and to maintain my institution's professional image. Specifically, I will adhere to the following code of responsibility, accuracy, and integrity:
 - I pledge to respect the absolute confidentiality of all prospects and candidates. I will not reveal the name of or any information about any prospects or candidates before or after the committee completes its work.
 - I will adhere to the highest standards of ethical and professional conduct.
- I will be fair, accurate, honest, and responsible in my management of information.
 - I will avoid practices that would conflict with my ability to be fair and unbiased.
 - I will develop my own perspectives prior to group discussions yet remain open-minded.
 - I will guard against inaccuracies, carelessness, bias, and distortion made through either emphasis or omission of information.
 - I will admit any misrepresentation of information when I become aware and will correct it promptly and prominently.
 - I will strive for impartial treatment of issues and dispassionate handling of controversial subjects. I understand that prospects and candidates who have held executive jobs and made difficult decisions have not necessarily been in positions to win popularity contests.
 - I will not permit personal interests to distort or misrepresent the facts.
 - I will bring reports of concern on candidates to the Chair in order to allow for checks on their accuracy before sharing widely.
 - I understand that no code of ethics can prejudge every situation.
 - I will use common sense and good judgment in applying ethical principles to search work.
 - I consider the content and intent of this statement to be a matter of personal responsibility.
